*Coollest Selling Blade In America!*

**The Newest Technology Value Groom® Blue Titanium Ceramic Blades Value Groom® Blue Blades**

The coolest blade in town. Two great technologies: titanium coating & ceramic cutting, re-engineered to bring you the most advanced blade available. Special features of Value Groom® Blue Blades:

- ✓ Blades can be sterilized and autoclaved without discoloration or change in performance.
- ✓ Glides through hair effortlessly
- ✓ Stays up to 75% cooler than traditional steel blades
- ✓ Blue Titanium coating holds edge sharper
- ✓ Ceramic cutter keeps cutting edge sharper longer
- ✓ Blades will fit Oster, Andis, Wahl, Conair and Laube snap-on type clippers

All Value Groom® Blades Are Hand Finished By Our Expert Technicians!

**Value Groom® Conventional Blades**

Value Groom® blades are made of high quality steel. The precision engineering and workmanship guarantee a smooth and sharp blade. Value Groom® has a full line of blades for every need and every budget. Choose from Value Groom® Steel blades or Value Groom® Blue blades, which have been tested by groomers all over the country. Blades will fit Oster, Andis, Wahl, Conair and Laube snap-on type clippers.

**Value Groom® Conventional Blades**

- ✓ **Economical** – Premium quality at an economical price
- ✓ **Precision** – Precision engineering provides for a sharp, long-lasting edge
- ✓ **Smooth** – High quality steel allows blade to glide through coat smoothly

**Value Groom® Ceramic Cutters**

Please Note: Changing out a cutter is not intended to replace re-sharpening. In some cases replacing cutters on badly dulled or worn out blades may not help.
