

Shark Fin® Professional Shears

Shark Fin Shears feature a patented handle with swivel thumb that allows for a more natural position while scissoring and reduces the need to twist and elevate your arm reducing shoulder and wrist pain. All Shark Fin® Shears are forged to guarantee outstanding balance, superb control and proper blade alignment

Unlimited Lifetime Warranty
 All Shark Fin® Shears are guaranteed to be free from defects in manufacturing to the original purchaser for the life of the shear. In the event of a defect in materials or workmanship return your shear to Shark Fin® for repair or replacement.

30 Day Money Back Guarantee. If you are unhappy with your Shark Fin® Shears, simply return them for a full refund. (Must be in original packaging.)

The Shark Fin® Handle

The patented handle helps to properly align nerves and tendons in your hand for unmatched control and comfort.

Shear Fit™ Finger Fitting System

Patented finger fitting system to custom fit your Shark Fin® Shear to your exact thumb and ring finger diameter.
