**K9 Advantix™**

- ✓ Topical Flea and Tick Treatment with Mosquito Repellent for Dogs

K9 Advantix is an easy and effective topical treatment that kills 98% to 100% of fleas within 12 hours and prevents further infestations. Also repels ticks and mosquitoes. Just one application prevents reinfestations for up to four weeks, and the waterproof formula continues working even after bathing or swimming. Safe for dogs and puppies over 7 weeks old.

**DO NOT USE ON CATS.**
